

Dear Guam Visitors,

Join our International English Camps for an exciting adventure and making friends! On our beautiful island, you will get to meet local students and learn American culture. To get more practice and confidence with American friends, our English Focus Time in the morning will teach them to use English more naturally. Our specially trained teachers and smaller classes provide the kind of attention your student will need to reach the next level. We look forward to welcoming you and sharing a taste of our American island life. Space is limited, so apply early!
